

## How to book a flight?

Here you book flights for between June 25, 2011 and August 03, 2011 only. For other dates please use the book-button in the right box.

Before booking please check visa and transit requirements for all countries concerned.

We will be offer special prices for flights to Berlin. Especially for flights with Deutsche Lufthansa, the German National Carrier, we offer reductions up to 15%. Discounts have been already deducted from those flights where a red flag is shown next to the price.

By the end of the booking process, please enter this [Event Code](#) always.

## Place of departure

The system cannot find my hometown. Please make sure, that you wrote the name of the city in english notation. If you are not sure, what the english name is, look [here](#).

The engine maybe suggests to you some cities worldwide with the same name. Confirm with a click your city. After you confirmed the city, the system change the city name to an international flight city code.

New York =NYC

Mumbai = BOM

San Francisco = SFO

Rio de Janeiro = GIG

To get more information about the airports in your country/city, please click [here](#)

If a city has different airports, the system will suggest them to you. If you are not sure, what the right airport is, just confirm the city name.

## Destination

This system is offering flights to Berlin only. If you want to go to a different city, click "STOP" and use the second booking engine showed at the homepage.

## Carrier

The system shows you the discounted fares of Deutsche Lufthansa and/or all other airlines. To get as many flight offers as possible, leave the select box at "all".
